

Making surveys simple

Choosing the right survey

Home buyers have plenty to worry about, during the process of securing their dream home. Whether it's waiting for their mortgage offer or understanding the nitty-gritty of conveyancing, there's a lot to take on board.

At Optimus, we believe that choosing and arranging the right survey for a property transaction shouldn't add to the worry. So, we made it simple.

The right survey for every property

With Optimus, homebuyers can instruct their survey with ease, and get to know the true condition of their future home ahead of time. Recommend Optimus to your clients and we can help them arrange a fairly priced RICS-regulated survey for their purchase in just a few clicks.

Our experienced survey consultants are on hand to guide homebuyers in choosing the right survey for their purchase:

- > Level 2 is ideal for properties less than 80 years old and with minimal structural changes
- > Level 3 is ideal for older properties and those with extensions or improvements
